

Deluxe Outdoor Tank Alarm

VERSA'LARM™ 4X

Leading Edge Design

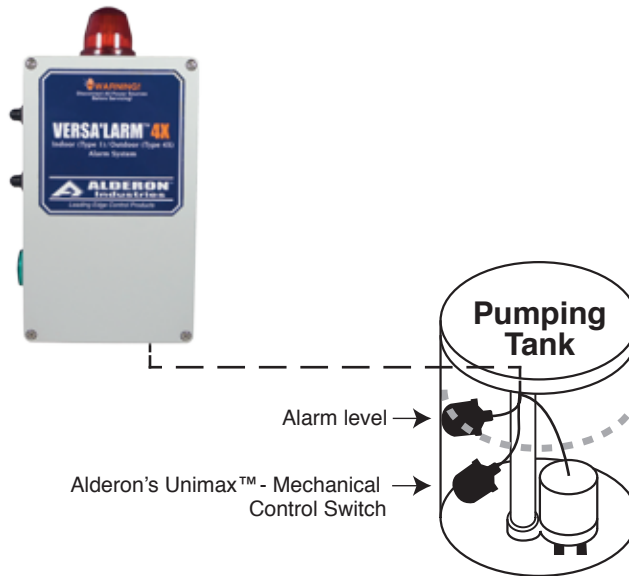

Standard Deluxe Features - Environmentally Safe

The Versa'larm™ 4X is rated Type 4X for outdoor use, waterproof against pressurized wash-downs. The auto-reset feature automatically resets the buzzer when alarm condition clears and comes standard with auxiliary contacts, power-on light. Patented mechanical float switch eliminates hazardous mercury.

Applications

- ▶ Lift pump chambers
- ▶ Holding tanks
- ▶ Sump pump basins
- ▶ Water tanks
- ▶ Septic tanks

The Versalarm™ 4X is powered by 120 VAC. When the float switch closes the buzzer, light and auxiliary contacts will be activated. Pressing the silence button deactivates the buzzer and auxiliary contacts. When the alarm condition is cleared, the system automatically resets itself.

Features
