

Accessories

Cable Connectors

Heavy-duty plastic connectors provide strain relief and a liquid-tight seal. Available for round or flat cables

Specifications

1/2" NPT Round: Cable Range 0.20" to 0.47"
 3/4" NPT Round: Cable Range 0.35" to 0.71"
 1" NPT Round: Cable Range 0.35" to 0.98"
 1/2" NPT Flat: Cable Range 12/2, 12/2, 10/2
 3/4" NPT Flat: Cable Range 14/3, 12/3
 Material: Thermoplastic

Terminal Adapters

Heavy-duty PVC adapters for connection to PVC conduit. Available sizes: 1", 1-1/2" and 2"

Specifications

Material: PVC
 Locknut: Zinc Plated Steel

Float Switch Accessories

Cable weight for suspended externally weighted float switch applications

Stainless steel pipe clamp for float switch applications requiring mounting of the float switch on a pipe

Specifications

Material: Galvanized Cast Iron

Specifications

Material: Stainless Steel/Thermoplastic
